

# Savant - *Instant Home Control*

Voice Activated  
Remote control

**Savant has  
revolutionized  
home automation!**

- Setup in minutes
- Can control thousands of products
- Use phone or remote
- Hide your cable box for a clean look

## **Savant brings the first 'DIY' solution to home automation**

Home automation is quickly becoming the essential solution to easily control complex home A/V systems.

Savant has introduced a product set so revolutionary it has taken the industry by storm!

In less than 15 minutes anyone can set up their own home automation system and control an entire room, including lighting!

***"Amazingly simply  
to setup and use!  
The phone app is  
incredible!"***
